FALSE PROPHETS

By Rev. JAMES M. GILLIS, C.S.P.

We can promise an intellectual treat to the purchasers of this book.

The Author, a critic modern in spirit and method of expression, subjects to searching analysis the works of ten writers acclaimed as authentic champions of modernity:

GEORGE BERNARD SHAW
HERBERT GEORGE WELLS
SIGMUND FREUD
CONAN DOYLE
FRIEDRICH NIETZSCHE
ERNEST HAECKEL
MARK TWAIN
ANATOLE FRANCE

These are names to conjure with. But Father Gillis is not dismayed by names. It is by what they stand for that he judges them.

And despite their fame, Father Gillis proclaims these writers, *not* high priests of a better civilization, but False Prophets leading men astray.
